*****Please be advised that the Meet Director and Meet Referee MAY adjust teams to maintain balance at all three warm-ups. Teams mandated to move will be notified by phone and TSA website by Monday, July 22, 2002!**

RELAYS: The 800 Freestyle relays will be swum fastest to slowest. All relays will be conducted as timed finals with the fastest heat for each event only being swum at finals, all other heats will swim as the last events of preliminaries. **Each team must declare on the TAGS Relay Entry Form, which relays they wish to be eligible to swim during the finals session on Sunday.** Of the teams making this declaration, the fastest eight will be seeded in finals. Teams seeded in finals must swim in finals or scratch.

Any swimmer used in any proof of time for relay must be on the designated age-group entry form for that team's relay. A team must have a relay entered in the age-group and sex before relay only swimmers can be listed on the entry form.

Relay forms indicating order of swimmers must be returned to the Clerk of Course by **11:00 a.m. each day**. The order of swimmers on relay teams will be strictly enforced in accordance with 102.4.9, 2000 U.S.A. Swimming Rules and Regulations.

TIME TRIALS: Time Trials will be held for TAGS participants immediately following preliminaries Thursday, Friday, and Saturday. **There will be no Time Trials on Sunday!** Time trials will be offered in the events of that day, followed by the events of the next days, followed by the events of the previous days, in concurrent fashion. Once these events have been concluded, time trial will not be offered later in the day. The fee is \$7.00 per event. Sanction #ST2-62.

Swimmers attending TAGS for relays only will be allowed to swim one time trial event per day. Time trial events count toward a swimmers total number of events as outlined under ENTRIES. Time Trial results will be published with the Final Results: however, these times cannot be considered for state records.

PROOF OF TIMES: Swimmers must provide a proof of time when they fail to make the event qualifying time or are disqualified from an event. This applies for both individual and relay events. The only proof of time acceptable are OVC copies and OFFICIAL FINAL RESULTS from sanctioned or approved U.S A. Swimming meets, YMCA, intercollegiate meets or high school meets.

Times submitted for proof of times must have been achieved since and including June 1,2001, and the time must meet the qualifying standard for the age group in which the swimmer competes. All times must have been achieved prior to July 17, 2002. Each swimmer must prove his/her **SEED TIME or a FASTER TIME**. If unable to do so, the swimmer will be assessed a \$50.00 fine. If a second offense occurs at the same TAGS, another \$50.00 fine will be assessed and the swimmer barred from the remainder of the meet. If the swimmer refuses to pay the fine, his/her club will be responsible for paying the fine.

The TSA database will be up in primary mode. Individual entries will be electronically pre-proved against the TSA database, and an exceptions report will be posted on the TSA and 5 LSC websites. **IF** a meet is in the TSA database, coaches do not have to bring a hard copy to TAGS for proving any relays or individual swims aggregated together for relay qualifying times. **Be aware that High School, YMCA, and out-of-state USA Swimming meets WILL NOT be on the database.** A list of meets in the TSA database is available on the TSA website in the "Best Times" link. There are some meets for which results have not been submitted to the database, so, **IF IN DOUBT, BRING A HARD COPY!!** As always, it is the coach's responsibility to **MAKE CERTAIN** that Proof of Times is on hand at the meet, otherwise, the \$50 fine will be imposed.
