

*****IMPORTANT NOTICE*****

CHANGES

for the MUSTANG CLASSIC

May 16, 2010

Attention Parents, Coaches and Swimmers,

Due to the large number of meet entries on Sunday May 16, the meet directors and Meet Referee have made the following changes to the start times for the Sunday session in order to accommodate all swimmers within a reasonable timeline.

Note: These changes apply to SUNDAY ONLY.

Session 3: 12 & Unders Warm up: 7 – 7:45am Meet Start: 8:00am

Session 4: 13 & Overs

Warm-ups for session 4 will begin immediately upon conclusion of Session 3; estimated to be 11:30am, but will in no event begin before 11am. The warm-up period will last for 45 minutes. The meet will start one (1) hour after warm-ups begin.

Additionally, Events 51 and 52 (400 Freestyle) may be swum two swimmers per lane if needed to maintain a reasonable timeline. The decision will be made at the sole discretion of the meet referee based on the number of entries and scratches.

The meet directors/meet referee reserve the right under USA Swimming rules to cancel events should the meet run later than expected. In the unlikely event that an event(s) are cancelled due to reasons other than inclement weather, those swimmers affected may apply for a refund by contacting the meet director.

Additional Information—

PARKING PASSES

Parking passes will be sold on deck for \$10. These passes should be hung on the rear view mirror and will permit holders to park both days in the Moody garage located adjacent to the pool.
